Every day when she goes to work, lurid tabloids surround her, the face of a notorious bad boy haunting her from their covers. A man and a woman, living vastly different lives, but that wasn't always the case. Once, they were just a boy and a girl who bonded over comic books and fell in love unexpectedly. When Kennedy Garfield met Jonathan Cunningham back in high school, she knew he had all the makings of a tragic hero. With stars in his eyes, and her heart on her sleeve, the pair ran away together to follow their dreams. But dreams, sometimes, turn into nightmares. Now, years later, the only thing they share is a daughter—one who has no idea her father plays her favorite superhero. But Jonathan is desperate to make amends, and at the top of his list is the woman who gave up everything for him and the little girl he hasn't yet met.
