I Was Ready for Disappointment By JVG I was dismayed when I found out that this would be about Chaol instead of Aelin. I was so dismayed that I didn't even remember the release date. I received a notification that my pre-order had been down loaded and hunkered down to read. More out of a sense of duty than anything since I read all of Sarah's books the day they are released. This book was beyond anything I have imagined. I loved it. It kills me to wait a year in-between these books but it is worth it. Read anything by this author and you will not be disappointed. This book absolutely included. 0 of 0 people found the following review helpful. I'm so sad that it took me forever to complete this book By yelnats I'm so sad that it took me forever to complete this book, but it was so worth it. I can't believe that the queen did it again!! This book was phenomenal. How she continues to write better and BETTER books is beyond me. This story is just fantastic and continues to grow better with each book. I loved the characters in this one--old and new and the new settings too. There were so many key elements that I didn't realize was needed until completing the book. The dots are starting to connect. The ties between Empire of Storms and this book was fantastic and yet so very heart breaking. I cannot wait until the next book comes out, I need an ending like now please!! 0 of 0 people found the following review helpful. AMAZING!!! By knbarbknecht THANK YOU!! Holy crap - for giving us Chaol back!! Maas does not disappoint this time with a thunderous follow-up devoted to our beloved Chaol and let's not forget The wonderful Nesryn whose story just gets better and better! This was such a breath of fresh air following the last installment which had been somewhat disappointing and depressing for me. I CANNOT WAIT to see what happens next! This book was absolutely perfect! See all 186 customer reviews...
