Customer Reviews Most helpful customer reviews 0 of 0 people found the following review helpful. Overpriced By Michael Gainey I can't remember how much I paid for this, but it was way too much. It's an economics textbook. There are good, free economics textbooks on the internet (openstax.org). That students are forced to pay over a hundred dollars when there are free alternatives is maddening. 0 of 0 people found the following review helpful. Five Stars By christie Needed for a class. Just as described and shipped fast. 0 of 0 people found the following review helpful. good material. By Michael Whicker Purchased for school, good material. See all 6 customer reviews...
