Why pick one guy when you can have seven? I grew up next to the Morgan boys. Playing doctor was really fun. But now, ten years later I'm back from college. And the Morgans ... well, they make me shiver, everything going hot. Because the men are gorgeous. Matt on Monday. Tim on Tuesday. Will on Wednesday. Trent on Thursday. Ford on Friday. Sam on Saturday. And Smith ... oh god, Smith's perfect for Sundays. Because Sunday's meant for penance. Doing right and thinking good thoughts. Going to church and acting godly. But I can't be good. I can't possibly choose, they're too gorgeous. So I don't pick. Is that wrong? Or is seven my lucky number?

Review If you're looking for your next sexual encounter, then this book is perfect! Who wouldn't want to imagine being in this girl's place? Even if it's only for as long as it takes you to read this book, it is well worth it. -- Brianne, Reviewer I always wondered what it would be like to be ravaged by a bevy of hot men. Totally lived out that fantasy with this book.-- Renee, Reviewer This book will grab you from the first word and not let go to the very end. -- Jenny Harris, Reviewer One word: AWESOME -- Whiona Mackie, Reviewer The author does a great job introducing Macy to the brothers. She gives passion and devotion to their relationship. She brings laughter and joy. She brings love. It's unconventional but it works for them. -- Brenda, Reviewer About the Author Hi, I'm

Cassandra! If you're looking for something short, smutty and sweet to read, then you're in the right place!

Don't know if i like that many men. It was hot but just seemed a but much. Book was well written and the story line was good. Enjoyed the read. 62 of 70 people found the following review helpful. Not very impressed. By Amber L Hamblin So Macy is a little innocent 18 year old who returns home from college over summer break. Meets the grown up version of the boys next, they do all kinds of dirty things, skip ahead a couple months, she has a run in with an ex, which if I must say reminds me to much of 50 Shades of Grey due to the ex being all obsessed and strung out. Macy runs to the all knowing grandma and poof she has an epiphany. Fast Forward again 8 months and there is a baby. There was a lot of details left out, wasn't much description in anything and this should only be called a novella. The "Seven Brothers of Sin" was over by 31%. The rest of the book is a whole bunch of other short stories. Not very impressed with the book. 0 of 0 people found the following review helpful. Five Stars By Amazon Customer So hot!
