Read Online

Long before the times of Draupadi and Sita immortalised in the hymns of Rig Veda but forgotten to the memory of India, the warrior queen with an iron leg, Vishpala, brought up in the pristine forest school of Naimisha, Avishi reaches the republic of Ashtagani in search of her destiny. When Khela, the oppressive king of the neighbouring Vrishabhavati, begins to overwhelm and invade Ashtagani, Avishi rises to protect her settlement, but at a high cost. Separated from her love, her settlement broken, with a brutal injury needing amputation of her leg, can Avishi overcome Khela? If stories about ancient India, especially those with strong women characters interest you, then Avishi is a story you must read! Saiswaroopo Iyer is an IITian and Venture Capital professional turned author. Her debut novel Abhaya, published in 2015, was a tale set in the Mahabharata period, exploring the legend of Narakasura Vadha. She likes to focus and expand on ancient Indian stories with strong female characters. She tweets @Sai_swaroopo

Customer Reviews Most helpful customer reviews 0 of 0 people found the following review helpful. Bold, well-researched and gripping By Amazon Customer Avishi is a bold and well-imagined take based on Rigvedic verses. May not have been attempted before. The debates that run as an undercurrent on the institution of marriage and another about outcasts showcase the mettle of the

author. The characters are sure to gain your empathy and the fight-sequences are gripping. Must-read. See all 1 customer reviews...
