I was thirteen when I was kidnapped. Fourteen when he helped me escape. Twenty-three before I ever saw him again. His face is all over the news: he's a wanted man, now. Maybe my memory played tricks on me... but he looks so different. The boy who saved me years ago had a shy smile and dark, soulful eyes full of secrets. This man has a hard jaw and a harder mouth. Lips that could never whisper sweet promises. I knew him as a hero—my savior. I refuse to believe he could become a villain. Not him. Then he abducts me, proving me wrong. He tells me he's going to take me apart and put me back together again. Make me what he needs me to be: a plaything for a monster. It's the fate I escaped when I was fourteen. And that's when I finally understand. He was never my hero. He's the man who's going to break me. Author's Note: This is a Dark Romance. Approach with that in mind. This full-length novel has a happily ever after, but the trip there might make some uneasy... and I do care about your feelings. I honestly do. So if dark is new to you, read some reviews first to gauge your comfort level. <3 <3

Review "He was a great tortured hero.The author did a good job of keeping me guessing as to his motives." Eve Recinella (Between The Bookends) "Unputdownable. Mysterious. Dark. Sexy. An incredible read from one of my favorite authors!" Ilsa Madden-Mills, WSJ Bestselling Author "After Our Kiss is a heartwrenching tale of redemption, proof that love can find a foothold in the darkest places." Skye Warren, NYT & USA Today Bestselling Author "A nail-biter, the tension is high as is the suspense, and it's loads of fun... in a dark and twisted way." Tia Louise, International Bestselling Author "Nora Flite has proved what a talented author she is with After Our Kiss. She can not only write a dark romance that makes your toes curl, she can make you forget you're not breathing as she

strings you along on a page-turning tale." Willow Winters, USA Today Bestselling Author "Real, raw, perfectly dark and slightly scintillating, I held my breath throughout this book, and I didn't want to stop reading." Michaelene from Alpha Book Club "I found myself hooked, her use of words and the flow of the story made it very hard to put down once started which is the kind of books I love to encounter." I never saw where it was taking me until I was up close and in it. It's a very unique kidnapping story. I have questions and I am really hoping we get more of these fabulous characters story. Can't wait for more. 17 of 18 people found the following review helpful. Tantalizing~ Spellbinding ~Beautifully Dark Read! By Jackie WELL. * takes a deep breath, looks around, whispers to self " didn't see that coming "* I just read an unexpected beautifully haunting dark tale that not only captured my attention but my heart as well. This thought provoking, hotter than Hades, full on frustrating read had me wanting one thing, but changing my mind on the next page! Once I started I. COULD. NOT. PUT IT. DOWN. Much like the characters in this story, it quickly became an obsession. Having read other books by the magnificent Nora Flite in the past, couple times I had to remind my self who's book I was reading, but honestly, it just shows her diverse writing abilities in this fantastic novel! IMO, this is a 5++ STAR read She blew me away with the sexy dark layers, deep twists, and love in the midst of it all! I highly recommend this to anyone who can do dark themes!! 8 of 8 people found the following review helpful. Dark, and gritty, I loved it. By Nora 212 So, this story was wow! Dark, and gritty, I loved it. I'm not sure how much to give away in order to write a worthy review but here goes. Georgia is kidnapped when she's just 13 years old by Facile Adams, Conway's father. When she wakes up, Conway is there. Conway takes care of her, he reads to her and protects her as best as he can. In spite of their horrible circumstances, they begin to develop feelings for each other, even as teenagers. That first kiss was so sweet. Conway is someone who seems to have some decency in him and wants to protect Georgia against his father. Conway chooses to help Georgia helps her escape. That act of kindness is the beginning of events that lead to Georgia's nightmares coming back to life. Nine years later and she is kidnapped again...but this time by Conway who seems to have transformed from a shy, sweet teenage boy to a heartless, ruthless man ready to break her. My heart cried for Conway because he was stuck in this awful situation and struggling between doing the right thing and obeying his father. There is a reason why he's doing all of these awful things on behalf of his father, but you will have to read it to find out. Georgia was such a strong female. She endured so much but she never gave up hope and she never gave up on the teenage Conway and his kindness. In spite of what she's been through or maybe because of it, she remains optimistic about love and life. Another interesting character was Lonnie, Conway's brother. He added a sense of dread and doom to the story. Georgia's fear of him was well grounded because he was very much like his father. I would dare to say more evil than Facile. This is definitely a dark romance, raw and gritty, full of angst, drama and some unexpected twists toward the end. I really enjoyed the plot of the story and where the path the author took with it. The ending was excellent. Well worth the ride. I voluntarily reviewed an ARC of this book. See all 204 customer reviews...
